Are there any Height Restrictions for parking on the public highway?	There are no height or length restrictions in place however the vehicle must be parked wholly within the bay markings and not causing an obstruction to the flow of traffic or to pedestrians and other road users. There is a weight limit in place of 1.5 tonnes.
Can a vehicle purchase 2 pay and display tickets if overlapping into 2 pay and display bays?	No. When parking in Pay and Display or a Resident Parking bay vehicles must park wholly within the bay markings. Any vehicle parked outside the bay markings is liable to receive a Penalty Charge Notice (Parking Ticket).
Are there any toilet and waste disposal facilities?	Toilet facilities are provided on street for the use of the general public. There are no on street facilities specially designed for the use of Motorhomes.
Are there any spaces specifically aimed at Motorhomes and / or caravans?	No
Is there any provision for ( or ban on ) overnight parking?	Outside the hours that a pay and display bay is in operation, parking is permitted and is free of charge.
Restricted access caused by narrow roads/entrances?	Like any Historic City there are streets where access maybe restricted. May I advise contacting the Highways Department of Cambridgeshire County Council on 0345 045 5200 or Cambridgeshire Police on 0845 456 456 4 if you require further information or to check your route before travelling.
