Disabled badge holders can park for free on all Lancaster City Council car parks with no time limit, except for Marine Road 1 & 2

Height Restrictions: Car Parks with **(H)** after name.

The only car parks which can accommodate large motorhomes without causing problems (except for over hanging bays) to other car park users is Old Station car park. All other car parks are either too small or there are potential problems with access to and from the area.

The overhanging of bays can cause problems; Jutting out into traffic lane, making it difficult for other drivers to see past or around the vehicle and a trip hazard if the driver of the motorhome forgets to fold away the vehicle access steps.

There are no provisions made on any of the car parks for trailers and caravans.

There is no ban on parking vehicles overnight on car parks, although there is a ban on sleeping in vehicles overnight.
