Supplementary Notes						
All car parks are covered by the Off Street Parking Places Order 1990.	Only 3 x car parks as listed	All car parks are signed to indicate that vehicles must be parked wholly within marked bays. The only restriction under the car park order is that vehicles must not exceed 3050k. If vehicle is longer we allow for overhang providing every care is taken not to cause inconvenience to other drivers.	All car parks as listed have toilet facilities only. No designated waste emptying facility is available.	We do not supply designated bays for the use of motor homes, but we do allow the parking of motor homes within our car parks. We do not permit caravans within our car parks	We do not allow overnight camping in our car parks and this is covered by our car park order	No access by road problems have ever been reported although we cannot warrant that all access roads will be suitable for all vehicle types.
